Here at Cedar Creek our goal is to breed for the best. We breed for ourselves but along the way we have some fabulous puppies that we will place in approved homes. By completing this application you assist me in placing puppies in the most appropriate homes. I would like you to feel free to embellish your answers. There is no limit to what you can tell me about yourselves. The more information you can give me about you, your family dynamics, your home, your lifestyle, and so forth – the better I can weight my decision as to your probability as a Cavalier owner and match you with the best puppy for you and your family. **There are no right answers or no wrong answers.** I am entrusting you with the lifetime of one of my dogs – you are adding a family member that will hopefully be with you for many years. Let's see if we can work together.
